

Legacy

With a history that begins in 1873, the various halls of learning that have been the home of Westmount High School have echoed to the voices of generations of individuals growing to their potential, making positive contributions to society and being a source of pride to their families and loved ones. We are humbled by what has preceded us and we are committed to continuing the legacy of integrity, excellence and character that have been the hallmarks of our community.

Alumni

Champions for life!

Without them, we would not be who we are today.

Our alumni – they fought in both World Wars to defend our right to be...they made and continue to make lasting contributions to life and to building memories. They are in large part what we always have been and will continue to be – enriching the community and families through character, goodness and courage.

They are us. We are them.

Alumni news

If you are an alumnus or alumna, this is the link to our Alumni Association. Do you have some news you would like to share? Please contact us!
